

For those who thrive digging up dirt!

I have chosen to make my past a public document. So that the devil “through the world of his own, those who would [further] choose to discredit me” will have to understand that all the spicy past is on a Web Site “in a P. D. F. link” for all to see. And it is being made public for those who continually discredit others. And is the only way they have to exercise their egos and achieve their mental orgasms. Thereafter “in their own view” they raise them-selves just above ground level!

Born August 3rd 1937, the son of a mid-west farmer! He was a great Dad, I was blessed! Worked from the time that I was about 11 years old on farm equipment, and went to a Methodist denominational church for 7 years, Graduated from a mid-western high school, enlisted in the Navy at the age of 17. Served for 14 years and 6 months of active duty, and thereafter served a number of years in the Naval Reserve. And have had the privilege of visiting many places in the Far East, and in the Southern Hemisphere.

Enjoyed motorcycles, sports cars, and sailing boats, and historically “when I was in the world” was individual guilty of dating the ladies relentlessly for years, long, long ago. Don’t use drugs, smoke or drink, but I might have a glass of wine from time to time.

Was married and divorced 3 times my fault. See Deuteronomy 28:15 and 30. Still have some good memories of the last lady. Her name should still be Kathy, will always remember her! And wish her well wherever she might be.

One of those ladies I unwisely chased charged me with rape. When we got to court “about 38 years ago” they found out “because of her lie, and a female district attorney’s zealotry” that there had been no intercourse, told them so! Verification is within the lab report, and in the court records. Still it left my record with the charge for all to see. Thereafter most continue to judge me in haste. Some years later “about 25 years ago” at the beach another young lady asked me if I had an apartment. We enjoyed the after noon. What I was not totally mentally aware of “till later” was that she was 17. And that her father was an influential private investigator. Spent that summer incarcerated. The irony of that incident was that she didn’t show up at one of the court dates, because she had run off to Mexico with another man “in the court records” for 2 weeks. Still I spent that one summer incarcerated. And the powers that were “at that time” left those historical charges and the false charge of kidnapping for all to see.

When I was in the world I lived my life. So for those who judge me, remember one thing. When you point your fingers at me, there are four more “of your own” pointing right back at you (for whatever reason), Matthew 7:1 through 5 and Romans 3:23. Let us move on “its late in the afternoon of my life”, and the soap operas are over. The little buried bones from the ancient past are in the Lords hands. And for those who like to dig up bones, and for those who have never served in the armed forces, and for those who have chosen a lifestyle that the Lord calls an abomination, look in the mirror very carefully,, Leviticus 18:22, 20:13, and 1st Corinthians 6:9. And for those who by their own actions have labeled themselves boot stomping feminists. Take a real good look at your own life before criticizing others!

Have had the privilege “in the past” of purchasing bare land, and developing it into working ranches for resale. At one time I had done okay for a lad from the country. After Kathy chose to leave, I turned back to the Creator’s. And will remember that the Creator’s used that lady “from the past” to turn me back to Yahweh and surely kept me from the fires of hell, I thank the Creator’s for her. And wish her well wherever she might be! Henceforth: I gave up the ranch, sold the trust deeds for a percentage, and paid what bills that I could, and went to serve the Lord. Have some bills yet to pay and Creator’s willing, those bills will all eventually get paid.

Thereafter “more than 20 years ago” I was permitted to begin the study of the Creator’s word. And “for 2 ½ decades” have had the privilege of retranslating portions of the Hebrew and the Greek texts. See the Web Site Index for verification! Have been permitted to travel the nation sharing scripture, and continue today as directed. Don’t chase the ladies any more, because of the commitment to Mr. Yahweh and His Son Yeshua. But I have “during the past 20 years” gotten my self into a couple of altercations.

Countless times I have wisely walked away from altercations, but intentional disrespect from another has always been difficult for me to swallow. Will not tell you the details, they are not important. What you need to know is that one of the altercations hurt a man badly. He put his hands on me, told him to remove his hands. Then his hands were removed. Spent about a year incarcerated, it should be noted that the Public Defenders Office denied me the Polygraph test. Draw your own conclusions.

Since then “a long time ago” the Creator’s permitted me to attend college for a year to take some needed computer classes. And because of the further education certain gospel truths are now being passed on to the readers even to you. **Truths**, “the pre-mentioned,” that have been hidden from you for about 2000 years. **Truths** “vital to your salvation” that you are never going to receive from your Sunday denominational preacher! So in whatever part of the land that I am permitted to be, if you find a C. D. or a ministry give away slipped under your windshield wiper blade, thank the Creator’s, Proverbs 1:7.

America: should you wonder about the events that collectively continue to happen within your land, you are progressively being destroyed! Why: well like the proverbial dumb frog sitting in the hot water (getting hotter) America “collectively” continues [to] disobey the Lord, and will not obey the Creator’s eternal laws, Exodus 20:1 through 17 and Leviticus 23. So the Creator’s continue to raise the heat of the water under you dumb frogs by applying continuous difficulties, warning measures and signs. Bottom line: the Creator’s are in the process of implementing Jeremiah 18:7 through 10 upon the United States of America. Why: because Americans “like ancient Israel (2nd Kings 17:13 through 23), after generations of patience extended to them by the Creator’s” have finally anger the Father and His Son. How: because of your disobedience, Isaiah 63:10. Have you noticed that America’s enemies are not at peace with us? Why: because we “collectively” have chosen [not] (to) obey the Lord. Read, I say, read Proverbs 16:7?

And for you who think that the Messiah’s 2nd coming could happen tomorrow [that is a lie]. Why, because the Lord will not return “for the obedient” until the 7th trumpet “the last” has been blown, Revelation 11:15 through 18. See the chart on the next page! And by that time or after the 4 horsemen of the great tribulation period have finished their ride. And when 6 of the 7 trumpets have been blown during the day of the Lord, the Israel of God “the obedient” will then be taken. See Exodus 20:6, Deuteronomy 5:6 through 21, 29, Leviticus 23, Deuteronomy 30: 1 through 10, Job 14:10 through 15, Luke 14:14, 1st Corinthians 15:51 through 53, Galatians 6:16, and Revelation 11:15 through 18. See the Web Site Index for a good translation of Deuteronomy 30:10. And chronologically before the Great (I AM) returns the Israel of God “the obedient” will be obeying the 10 Commandments and the annual Sabbaths of Yahweh, Exodus 3:14, Deuteronomy 4:27 through 31, Leviticus 23 and Galatians 6:16!

You are encourage to examine the link Luke 10:25 through 28 on the home page or within the Web Site index “labeled eternal life for who” with all your heart and with all of your soul. The same truths are within the C. D. that may now be in your hands! If you choose to cast the C. D. away “your choice” you will be destroying your children’s future and your own eternity! The choice is yours. And remember: to understand what the beginning of Jacob’s trouble is all about, see the links, and the Prophecy within 2nd Chronicles 7:13, 14 and Galatians 4:30 within the web site Index! See the links Jeremiah 30 and 31.

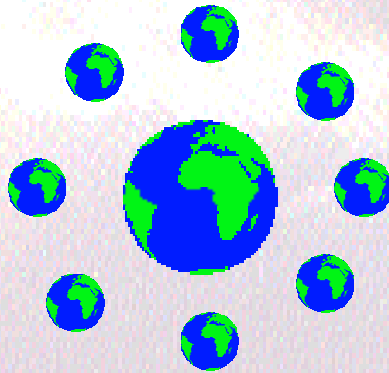

Folks my health at 74 is okay. Still jog some 3 times a week, and do knuckle pushups. Ride a bike, as I have the time. And am thankful to Mr. Yahweh and His Son Yeshua for my health, Exodus 15:26 and Psalms 103:3. If our paths should cross somewhere down the interstate of life “Web Site address is on the back of the old motor home” take some time, and flag me down. And thereafter: sit down with me and let us fellowship in the word of God. Will listen to what you have to say, but remember it is a two way street. And fellowshiping is not arguing! None of us mortals have all the answers. But remember: I have been made responsible “to each of you” for those things that can be proven. **Hope the Creator’s never give up on me.**

As the years slip by
larry gates

P. S. Upon the next page is a presentation of the last days! And whether you understand the ensuing prophesy or not, it does or will in some way include you! See the link 2300 evening/mornings on the home page.

Can you hear?

Far away stands a mountain that **Yahweh** used to share with me,
A Place where one could pray, and where the wind always blew free.

*It was in a little valley up towards an endless blue sky,
Where the tears of **God** washed the peaks when ever man caused Him to cry.*

There I was permitted to study the Master's plan under the warmth of the sun,
Where the Mighty shared His wisdom, for there are many battles for **Yeshua** yet to be won.

*Battles for the spiritually blind, and the lost, the many of countless lands,
Those who have few tomorrows, because of the poor judgement regarding their plans.*

So each year when the leaves turned to gold and the snow began to fall,
I would hear the great commission, to my soul **the Lord** would begin to call.

*To far away places each day by **my Savior** I am still led,
Searching for lost sheep that one day **the Father's Son** will wed.*

For there is coming a day when each of you will have to stand in front of **the Man**,
To see if you have heard each word from **the Makers** master plan.

*So until the **Eternal ones** permit me to return to the mountain up towards and endless blue sky,
Do not forget to listen when this preacher passes you by.*

A gift from Yahweh.
